

Micro Heating Element For Herb Iron

GREENWAY is Micro Heating Element For Herb Iron manufacturers and suppliers in China who can wholesale Micro Heating Element For Herb Iron. We can provide professional service and better price for you.

Model:7788

Micro Heating Element for Herb Iron

Micro Heating Element For Herb Iron were developed based on ceramic lamination technologies, which are mainly used for automotive and various industrial applications such as soldering iron, kerosene & gas equipment, pellet burner and water heating.

Process of Micro Heating Element For Herb Iron

First, painting the high melting point metal (tungsten or molybdenum manganese) paste on to the Al₂O₃ casting briquette in coordinate to the circuit design, then another layer of sintering additives. After that, repeating the process to build multiple layers. Then, they are sintered together under 1600 °C hydrogen gas environment. Finally, nickel leads are brazed at 800 °C onto the metal end and put on with Teflon sleeve, which make it a MCH heating element.

Internal Heating elements are protected from oxidation due to sintering into one-piece ceramic body structure.

Parameter of Micro Heating Element For Herb Iron

Configuration and Dimension							
Shape	Dimension	Tolerance		Tolerance		Tolerance	Resistance Tolerance
Plate	Length (mm)		Width(mm)		Thickness(mm)		
	10~120	① ≤20+/-0.3 ② ≥20+/-1	2~60	① ≤20+/-0.3 ② ≥20+/-1	0.55~2.0	① ≤1+/-0.1 ② ≥1+/-0.15	+/-10%
	length		Diameter				
Rod	8~121	① ≥30mm+/-0.5 ② 30~100mm+/-1.0	2.5~8	① ≥5mm+/-0.1 ② 5~9mm+/-0.2			+/-10%
Tube	8~121	③ ≤100mm+/-1.5	2.5~20	③ ≤9mm+/-0.3			+/-10%

Application

The aluminum ceramic heaters are widely used in all kinds of applications nowadays, such as: intelligent bidet seat, electric water heater, medical machine, dryer, electric heating splint, electric iron, vacuum flask, electric cooker.

Packing and Delivery

The suitable packing should be taken to avoid the breakage and contamination during the shipment.

Fast International Express Delivery such as DHL,TNT,FEDEX, UPS ect.

FAQ

1 Q:How can i get the after-service?

A: We will send you the spare parts by free if the problems caused by us.

If it is the men-made problems,we also send the spare parts,however it is charged. Any problem, you can call us directly.

2. Q: What payment terms do you accept?

A:T/T or credit card or West Union or Moneygram or Paypal(ali-pay),others is welcome.

3. Q:How you arrange shipment?

A: Always By Express according goods volume.

4. Q: What inspection items you had taken on processing?

A:We do appearance, Straightness, Dimension, Power-on test, Dielectric Strength, Resistance Test, Insulation Resistance, Ni-wire Pull Strength Test inspection ect. during process of our ceramic heating core.
